APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the
source. It is understood that the 0.5 c.f.s., herein granted
is only a temporary allowance and that the final water right
obtained under this permit will be dependent upon the amount
of water actually placed to a beneficial use. A suitable
measuring device must be installed and accurate measurements of
the water placed to a beneficial use must be included in the proof
of such use when filed. The State retains the right to regulate
the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.5 cubic feet per second but not to exceed 105.12 million gallons annually.

Actual construction work shall begin on or before January 22, 1977

Proof of commencement of work shall be filed before February 22, 1977

Work must be prosecuted with reasonable diligence and be completed on or before January 22, 1978

Proof of completion of work shall be filed before February 22, 1978

Application of water to beneficial use shall be made on or before January 22, 1981

Proof of the application of water to beneficial use shall be filed on or before February 22, 1981

Map in support of proof of beneficial use shall be filed on or before _____

Commencement of work filed AUG 31 1977

Completion of work filed FEB 20 1978

Proof of beneficial use filed _____

Cultural map filed _____
